4* Front de Neige Apartments

Built in 2016, these lovely ski-in/ski-out apartments are in a prime location at the foot of the La Bergerie chairlift in La Plagne Village. The Front de Neige has been built with a traditional Savoyard exterior, sympathetically constructed from wood and stone to be in keeping with its surroundings and is equipped with all modern appliances and furnishings.

Relax and unwind in the indoor spa area with indoor heated pool, hot tub, solarium and Turkish hammam. Spa treatments can also be booked and paid for locally. The bus stop is located nearby giving access to Plagne centre and local amenities are close by.

La Plagne

The superb ski area of La Plagne is a well connected and extensive ski area with a glacier, plenty of tree lined runs and a good choice of mountain restaurants for lunch. The well designed

resort comprises some ten villages, each with its own character and infrastructure. Plagne 1800 has all the individual wooden chalets and along with the aptly named Belle Plagne is the most scenic, whilst Plagne Soleil is ideally situated in a sunny bowl and offers easy ski in/ ski out accommodation. Plagne Centre provides quick and easy access to the slopes and is the focal point for shops and apres ski.
