Trip Information

Costa Rica is a rugged, rainforested Central American country with coastlines on the Caribbean and Pacific. Costa Rica is known for its beaches, volcanoes, and biodiversity. Roughly a quarter of its area is made up of protected jungle, teeming with wildlife. Onboard the Star Clipper you will visit many different ports including Isla Tortuga widely regarded as the most beautiful island in Costa Rica. With giant coconut palms framing powder soft white sand beaches that are lapped by crystal clear turquoise waters, this really is a tropical paradise. You can swim, get a ride of a glass-bottom boat or if feeling adventurous you can ride the zip line as part of a canopy tour. No wonder so many people fall in love with Costa Rica.
