We think the recipe for the perfect holiday should be a pinch of gloriously sun-soaked beaches, a dash of decadent dining, and an abundance of memories to take away. Often some of the most unforgettable experiences are ones had sitting around a dinner table, sharing a delicious gourmet dinner experience with loved ones in sublime surroundings.

We've travelled to some of the world's most renowned resorts and hotels and we can tell you that throughout our travels, the food we've sampled has always greatly surpassed our expectations and always adds to the holiday experience.

### **FACILITIES**

There are two white-sand beaches, a large swimming pool, two tennis courts, a fitness centre, snooker room, PADI dive centre and complimentary non-motorised watersports including sailing, pedalos and snorkelling; waterskiing is available at an additional charge. The fabulous Rainforest Spa is housed in treehouse-style gazebos hidden amongst the tropical foliage and offers a full range of treatments. The Sugar Club provides an excellent programme of supervised activities for children aged 4-12 yrs as well as a pool table and board games to keep older children entertained.
