DELIGHTFUL NORTHERN FRANCE

Combine cruising, A-ROSA style, along the tree-lined meanders of the River Seine with visits to the historic ports of Rouen, Caudebec-en-Caux, Les Andelys Vernon, and the glorious French capital – Paris.

As your A-ROSA river cruise vessel carries you gently downriver from Paris and back again, you'll have time to unwind and enjoy all the benefits of your Premium Inclusive package. And, whether that means cocktails and conversation at the bar, a leisurely meal from the ship's gourmet buffet and live cooking stations, or treating yourself to a little extra luxury and a pre-booked private meal in the elegant dining room, you can be sure that your time on board will be yours to fill as you please.

The choice and freedom to explore at your leisure continues on shore at each new port of call. Uncover the true story of Joan of Arc when in Rouen or venture further afield on an organised bike ride, join the included excursion from Caudebec-en-Caux to artists' retreat Honfleur, before rounding off your week with a full day and evening discovering the famous landmarks, fascinating museums, pavement cafes, jazz clubs, restaurants, celebrated cabarets and spectacular illuminated architecture of Paris, the 'City of Light'.
