The Bella Luce is a family run hotel with oodles of character and cosy intimate spaces. Set in a historic Norman manor house just a stones throw from Guernsey's stunning coastline, the Bella is the perfect setting to get away from it all and enjoy a taste of Guernsey.

Offering simple, fresh, mouth watering, gastro dining in a pretty courtyard garden or around one of the many log fires in the restaurant.

They take great pride in being the only hotel in the British Isles with an in-house distillery, producing multi award wining gin and rum.

You really won't find a better gin and tonic on the island! We like to think of the Bella as delivering buckets full of charm and a place you can kickback and unwind.
